

The College of Matrons

Application for Accommodation

The College of Matrons is a charitable trust registered with the Charity Commission (number: 201720).

It is important to note that residents occupy Almshouse accommodation as beneficiaries of the charity not as tenants. You should consider this carefully before accepting an offer of accommodation and seek legal advice if you are unsure. Almshouse residents are licensees and do not pay rent but a Monthly Maintenance Contribution (MMC) to help the charity cover its running costs. (This is treated as the equivalent of rent as far as Housing Benefit is concerned, and so help with payments is available if needed).

We need to make sure you are qualified to become an Almshouse resident. Please read the Frequently Asked Questions before completing this form. If you need help to complete the form please contact us. Please complete the form fully—failure to provide all the requested information could delay your application.

About your Current Health:

We are unable to provide any care or support and residents must be able to live independently. This is why it is important that you tell us about your current health and any ailments or disabilities. Living independently means that you must be able to cook, do your own shopping and clean your property. If you know now that your ability to live independently in the future will change, perhaps because of a progressive illness, you must tell us about this, although this does not necessarily mean your application would be refused.

Do you have any chronic illness/disability? Please provide details.

Are you registered disabled?

Do you receive any regular support—from carers; voluntary organisations; social services etc. Please provide details.

Are you in good health and able to manage a house or flat on your own?

References and Declaration:

Please provide details of two referees. One should be your GP surgery, consultant or other health worker, who can confirm your ability to live independently. The other should be from someone who knows you well who can confirm that you would benefit from becoming an Almshouse resident, preferably a member of the clergy of the Church of England. If you are a tenant, we will also contact your landlord to confirm your tenancy has been conducted without problems. References will not be taken up until we have a property in mind for you.
